

Children's Storytime in the Town Park at the Fenwick Island Gazebo 2019

Every Wednesday
July 3, 10, 17, 24, 31
at 10:00 AM

As we read books this summer,
We will also be growing plants in our
vegetable garden. We will watch
caterpillars change into butterflies,
provide a habitat for them, and learn
about protecting our environment!
